Book Trainer

Gotta Read'em all!

Welcome, Pokémon trainer! This year, every time you read a book from a particular genre, you 'capture' a pokemon from the genre pokemon type (look at the back cover). In order to get your pokemon, you must read a book and fill out a book review form that demonstrates you finished reading, and then show it to me. If your review is not complete or the piece you chose is not adequate, you failed to catch the pokemon. I will give you a pokemon sticker to put in this trainer book if you did a good job! If you read all **18** genre types, you will get an APPRENTICE BADGE and an award. If you get **3** pokemon from all **18** types, you will get a MASTER BADGE and a great award!

Good luck Pokémon Literary Masters!
